

Haskell intro

Assignment 2

Kai Arne S. Myklebust, Silvan Adrian

Handed in: September 21, 2018

Contents

1	Design/Implementation	1
1.1	Choice of Parser combinator Library	1
2	Code Assessment	1
A	Code Listing	1

1 Design/Implementation

1.1 Choice of Parser combinator Library

We decided to use **Parsec** because of the better error handling possibilities compared to **ReadP**.

2 Code Assessment

A Code Listing
